NEW "WELCOME" SIGNS FOR CITY IS C. OF C. PLAN

Suggested many times and discussed frequently, placing of "Welcome" signs on Euclid avenue and Foothill boulevard is today the objective of the chamber of commerce.

Realizing the need for more adequately featuring "Upland" at the city's limits, Dr. James V. Latimer has contacted several local service clubs with the proposal that suitable signs be placed as a cooperative project.

The proposed "Welcome" signs would feature the name "Upland" and also give information about the meetings of the service clubs. The service clubs will be asked to join in the financial phase of the project.

It has been suggested that one sign be placed on Euclid avenue at the city's southern boundary and two signs be placed on Foothill near the east and the west boundaries.

New Pastor Welcomed By Presbyterians at Church Reception

Approximately 150 members of the congregation of the Upland Presbyterian church and other friends were at the church Wednesday evening to greet the Rev. Clarence E. Reynolds, recently-installed pastor, and his family.

In the receiving line with the Rev. and Mrs. Reynolds were the Rev. W. Theodore Allison of Ontario, who has served as interim pastor, and Mrs. Allison.

The affair was sponsored by the Women's association, and Mrs. Henry M. Busch, the president, welcomed the newcomers in behalf of the women. William R. Mason spoke for the trustees of the church, and Herbert S. Bailey for the elders. Dr. Samuel Hughes, pastor of the Methodist church, and the Rev. John A. Luther, rector of St. Mark's, represented the Upland churches in their welcome.

A short program, arranged by the Mariners club, included vocal solos by Mrs. Jack Ayles and Roger Moore, accompanied at the piano by Mrs. F. J. Mahler; piano selections by Ernest R. Camfield, and two songs by the club. There were also two congregational songs.

Refreshments were served following the program under the direction of Mrs. Ellery F. Wright, who was chairman of a committee from the four groups of the association. Mrs. Clarence F. Clements was in charge of the decorations. Baby chrysanthemums in a silver bowl and candles in silver holders adorned the table where Mrs. T. M. Nichols and Mrs. Thomas W. Harris poured.

BEST PAINTINGS IN EXHIBIT SELECTED

High praise for the current art exhibit at Chaffey was expressed last night by two distinguished authorities, Loser Sectelson, art consultant, and Arthur Miller, Los Angeles Times art critic.

Sponsored by the Chaffey Art association the exhibition is attracting wide attention in the women's gymnasium and at an association meeting Mr. Sectelson selected the five pictures best suited for purchase by the association to add to the permanent art exhibit. The association members will select two of the recommendations. The pictures selected and the artists follow:

"Still Life" by S. McDonald Wright; "Last of the Wild Horses" by Denny Winters; "Milkweed" by Ernest F. Fiene; "Red Hills of Virginia" by Henry McFee and "Studio Interior" by Paul Clemens.

Election Measures To Be Discussed by Mr. Mather in News

Recognized as one of the best informed students of government, Wiley W. Mather, Chaffey college professor, will present his views on the ballot election measures in The Upland News next week.

Many proposed amendments to the constitution will be up for the voters' decision November 7. As a public service and in response to requests from interested citizens, The News will publish Mr. Mather's comments and recommendations on the proposals during the week just prior to election.

Witches and Ghosts Notified Windows Must Not Be Soaped on Hallowe'en

Witches will walk and ghosts will stalk and skeletons and black cats will have the right-of-way on Upland streets Tuesday evening, but Hallowe'en sprites soaping windows or carrying away fence gates will displease the police department.

Upland Elementary school children will have a costume parade Tuesday afternoon in the school auditorium, starting at 1:30 o'clock, Miss Jessie Brown, principal, announced.

She said the children will be cautioned to refrain from destroying property Hallowe'en night, although complaints in past years have been few.

The Spooks' Union of Chaffey high school announced today that the Bearded Men's association has proclaimed that "October 31 has been set aside as a hallowed evening for spooks, ghosts and all other creatures of immortal identity. All humans are advised to stay behind locked doors or else suffer the consequences. For on this night the spooks will be loose."

On the mortal side, Chaffey college will celebrate Hallowe'en Saturday evening with a dance in the upper foyer of the auditorium under the sponsorship of the Young Women's Christian association.

Chief of Police Eugene L. Mueller announced today that children will be permitted on the streets until 11 o'clock Tuesday evening, but must be home by that hour unless accompanied by their parents.

He has appealed to the children to avoid property destruction and window soaping because material and labor shortages make repairs exceedingly difficult in these war times.

All police officers and reserves will be on duty, he said.

CHAMBER OFFERS SMUDGING HELP

Upland chamber of commerce will assist citrus growers to obtain "smudgers" to heat groves if the service is requested, Dr. James A. Latimer, secretary, announced today.

Last year, in cooperation with the Chaffey schools and Beulah college, the chamber of commerce maintained a list of names and telephone numbers of students who were called into the orchards to smudge during cold nights.

Citrus growers receive frost signals about 8 p. m., Dr. Latimer stated, giving them time to get workers to put out smudge pots. If growers desire, the chamber will contact the schools and recruit students to work when needed.

Smudging usually starts about midnight and the coldest time of night is between 3 and 5 a. m. Smudging is hard and dirty work, he said, but the students are well paid for it.

Ontario Plumbing Company May Open Upland Store

Request was made of the city planning commission last night by B. F. Wells & Son, Ontario plumbing company, for permission to install a neon sign extending six feet over the sidewalk if the company leases the building on Second avenue formerly occupied by Johnson's grocery and now used as republican party headquarters.

Ed L. Wells said an Upland city ordinance restricts advertising signs to four feet over the sidewalk without permission of the city council. The commission approved his request.

Mr. Wells said the company plans to maintain its salesroom at 315 North Euclid avenue, Ontario, but would have its main office and service headquarters in Upland. If the store is opened Jan. 1, it will sell washers, refrigerators, radios and other electrical appliances.

FORUM PLANNED AFTER ELECTION

Upland planning commission in cooperation with the city council is arranging a large public meeting to be held in the Elementary school auditorium if possible some time after election day to be addressed by Gordon Whitnall, Los Angeles city planner, where Uplanders may come to express their postwar planning ideas.

The planning commission last night authorized its chairman, Frank Davis, to contact Mr. Whitnall, obtain his cooperation and set a date.

The commission is considering hiring Mr. Whitnall as its consultant in postwar planning and Mr. Whitnall has stated that it is of first importance that planning follow the wishes of the public. The city council recently suggested the forum.

Mr. Davis and Edward E. Gray have had preliminary discussions with Mr. Whitnall, and while he said that he is very busy now, he will help Upland if wanted. Mr. Gray said Mr. Whitnall is one of the two or three best known city planners in the United States. He has worked for Los Angeles, Inglewood, Santa Ana and Fullerton and is now employed by the city of Fresno, Mr. Davis said.

"Democracy" To Be Election Night Forum Topic Nov. 7

"Democracy—Use It or Lose It," will be the topic of discussion at the third community forum in Chaffey civic auditorium Tuesday evening, November 7, beginning at 8 o'clock.

November 7 is also election day, when voters will go to the polls to choose between Franklin D. Roosevelt and Thomas E. Dewey as next president of the United States.

The forum speaker will be Howard Pierce Davis, news analyst and traveler.

BEULAH BUILDING PLANS OUTLINED

Architects' plans and drawings for a gymnasium and commons building and for a men's dormitory for Beulah college were shown to the city planning commission last night by Rev. Jesse F. Lady, college president, and Dr. H. G. Brubaker, former president.

The gymnasium and commons building is a long, low rectangular building 60 by 120 feet with a half-cylindrical shaped auditorium. The dormitory is to be of Spanish type with open court in the center and a shaded walk and will be 126 by 65 feet. The gymnasium will be of steel and wood frame the dormitory of cement block.

The designs, planned by J. Dewey Harnish and Marsh, Smith and Powell, architects, were drawn to give Beulah college the most modern architecture, Dr. Brubaker said.

HOME INSTITUTE LECTURE GIVEN

Immediate postwar houses will be similar in design and construction to pre-war houses, Walter R. Hagedohm of the State Association of California Architects told 150 Upland-Ontario residents at the first lectures of the Home Planning institute sponsored by the Upland and Ontario chambers of commerce and given under auspices of the Chaffey adult education department in Merton E. Hill auditorium Wednesday evening.

It is important to plan now, he said, so that specifications will be ready when war ends and labor and materials are available. Home building, then, he said, will take up unemployment slack, while savings and government bond purchases now will curb inflation and help war financing.

Colored slides of Southern California homes were shown. Mrs. James A. Martinez was moderator.

Next Wednesday evening site selection and building laws will be discussed by Capt. E. Allan Sheet of the architects association and Richard Derby and Ralph E. Berryman, Upland and Ontario city building inspectors.

WAR CHEST FUND SUCCESS ASSURED

Success of the Upland War Chest and Welfare Fund drive to raise $10,000 was assured this afternoon when reports of five of 16 soliciting committees raised the contributions received to $9660.45 at 1 p. m.

Since the solicitation captains have been reporting larger response than anticipated and 11 remain to be heard from, the $339.55 still needed undoubtedly has already been donated.

Committee members hope to oversubscribe the quota by the largest possible amount, as the money is needed for the welfare of United States military men and women and by the local participating agencies, the Boy Scouts, Girl Scouts and sick baby fund.

Members of the Upland executive committee will meet at the chamber of commerce office next Wednesday at 4:30 p. m., it was announced.

Four-year-old Simon Chavez, Jr., son of Mr. and Mrs. Simon Chavez, 194 Manabesta street, Alta Loma, submitted to a tonsillectomy Wednesday at San Antonio Community hospital.

POLITICAL PARTIES STRIVE FOR VOTES

Upland-Ontario republicans are putting more effort into the political campaign this fall than at any time in the history of the Chaffey district, Mrs. Nelson Van Fleet, president of the West End Women's Republican club, declared today, while the democratic party Wednesday night threw their "big guns" into battle at San Bernardino.

Mrs. Van Fleet said the party is not sponsoring many meetings but that the club has organized the largest group of precinct workers ever assembled to send out literature from the party headquarters on Second avenue and to visit and telephone friends and neighbors to get out the vote.

Upland democrats were well represented in San Bernardino Wednesday.

UPLAND RETAINS $375,000 QUOTA FOR BOND DRIVE

Huge overscriptions of war bond quotas in the past was attributed today as the reason for assignment of a $375,000 quota to Upland in the sixth war bond drive, the same quota the city had in the fifth campaign, while the quotas in the nation, state, county and other cities have been reduced.

The sixth war loan campaign will begin November 20, but Marion W. Grothe, acting chairman of the Upland war finance committee, stated that bonds purchased anytime during November or December will apply toward Upland's quota.

OTHER QUOTAS CUT

Residents of the Chaffey district have been called upon to purchase $1,850,000 worth of bonds during the sixth campaign, a reduction of $65,000 from the quota set for the fifth drive last summer. Ontario's quota will be $1,100,000, as compared to $1,150,000 in May and the Cucamonga-Alta Loma-Etiwanda district quota is $200,000, the same as last time.

The $375,000 Upland quota includes $275,000 sales to individuals and $100,000 to corporations.

J. W. Shepperson, chairman of the Upland committee, is in Canada and is not expected home until late in November, but the organization he developed will be otherwise intact and will hold its first meeting shortly after November 1 under the acting chairmanship of Mr. Grothe, the committee's sales manager. Other members of the war finance committee are Harlow Wilson, Frank Nichols, D. E. Palmer, Orton P. Brady, Ray C. Norton, Leigh Thompson, Owen E. Atwood and Ernest Gibson.

OTHER DRIVES SUCCESSFUL

In the second war bond drive, Upland's quota was $207,000 and sales amounted to $244,000; in the third the quota was $475,000 and sales $555,000; for the fourth the quota was $350,000 and sales amounted to $570,000, and in the fifth campaign Upland nearly doubled its $375,000 quota, with sales soaring to $650,000.

In view of past performances, it is anticipated that Upland will oversubscribe its sixth quota, but Mr. Grothe said today the goal is maximum investment by the largest number of persons, whether they are purchasers of bonds of $25 denominations, $2500 bonds or bonds of $25,000.

City Postwar Projects May Cost Over $250,000

UPLAND EXPECTS FEDERAL, STATE FINANCIAL HELP

Upland's postwar municipal projects may cost more than a quarter million dollars, it was stated at the meeting of the planning commission last night, but the commission has adequate funds for plans and specifications and will receive state assistance and possibly federal aid in building its projects.

City Manager Richard G. Manley estimated repairs to Euclid avenue between the Santa Fe tracks and Twenty-fourth street would cost $100,000 and Edward E. Gray estimated the proposed library would cost $150,000, including $75,000 for the building, $50,000 for the land and $25,000 for equipment.

Mr. Gray suggested the city might acquire deeds to property on Foothill boulevard, then deed the property back to the owners with restrictions to permit lawns and sidewalks, while Mr. Manley stated the city might build a residential street paralleling Foothill boulevard with a narrow park between to enable residents to get off the boulevard.

Other Upland postwar projects contemplated are a park and civic center.

Mr. Manley said the commission had $300.62 on hand July 1 and will receive approximately $1119 from taxes to give the body $1419.62 for planning studies, while expenditures have been just $4.10. The city council has set aside $8000, to be matched by the state, to draw plans and specifications for postwar projects. The state, he said, will provide $3000 to acquire sites.

Mr. Manley declared the purpose of postwar planning now is to provide projects which may be started at any time in the future to relieve unemployment so that it will not be necessary to rake leaves as was done in the depression years.

He was stationed at Leyte from 1904 to 1906 as a private in the army during the prolonged insurrection on the islands. Martial law was maintained by the troops. He was with the 21st infantry and advanced in rank to a captain. He was retired in 1926. The Levte service followed his first enlistment at the age of 15 years.

SERVICEMEN TELL LIONS OF COMBAT

Two servicemen who have participated in actual combat in the Pacific area and who are now patients at the Norco hospital told of their experiences at the meeting of the Upland Lions club in the Upland Woman's club house at noon yesterday. George Tuttle of Glendale, who is chief photographer's mate, described the reconnainance trips that took him over Jap held territory.

Pictures were taken of strategic points prior to an attack as well as afterwards for the "interpreters." While returning to his base in Guadacanal, his plane was disabled and in landing in the ocean, Tuttle suffered the fracture of both legs.

H. O. Camp of San Bernardino, who is a private first class in the marines and a paratrooper, participated in the Pacific Ocean fighting but he was later returned to the mainland. He was injured in a "jump" from a plane, he reported.

Private Camp made the observation that he had "jumped" from every plane in which he had ridden and that "some day he hoped to be able to go for an airplane ride without having to bail out."

Sam D. Barker served as program chairman with President Everett W. Henry in charge. A guest at the meeting was Ned DuVall, son of Clyde DuVall, a member of the club. Dr. Clarence E. Reynyolds, new pastor of the Upland Presbyterian church, was also a guest.

MAN ON SIDELINES, "MUGGS" MITCHELL, HELPS TIGERS WIN FOOTBALL GAMES

When the Chaffey high school Tigers line up against the Red Devils of Pomona on the Chaffey field this afternoon at 3 o'clock, the football teams pitted against one another will be relatively equal in strength, but Chaffey will have one advanage that may well mean the difference between victory and defeat, a man on the sidelines, Coach "Muggs" Mitchell.

Coach Howard Mitchell came to Chaffey in 1928 after having played on the 1925 and 1926 Stanford university teams and in the Rose Bowl with the Pacific Coast champions. Since that time, Chaffey has always had good football teams, and won three league championships in 1934, 1936 and 1939.

The Tigers and Red Devils have met 28 times and Chaffey has lost 21 of those games and tied two. But three of the five Tiger victories and one of the two ties were won by Mitchell teams. Three games were lost by one-point margins.

Coach Mitchell stresses teamwork. He drills the linemen thoroughly in fundamentals. He coordinates the backfield. The results were apparent in the games against Fullerton, Corona and San Bernardino when the opponents were stopped cold at the Chaffey line and the Tigers perfected a backfield offensive that rolled up bigger scores week by week.

Loss of Bob Sachs at left end will be felt in the Tiger lineup this afternoon as the player is confined to his home by illness, but William De Young substituted effectively for him last Friday and will be in the lineup against Pomona.

Two Men Injured in Cucamonga Accident

Two Mexicans en route to work at the camp of the Southern California Farmers association were seriously injured in an accident at Archibald and Main streets, Cucamonga, about 5:30 Thursday morning.

The men, Felix Basquez and Catarino Castro, were standing on a step on the back of their truck when another truck owned by the war food administration struck them, according to a report received by the Upland police department. One of the men had two legs broken and the other had his ankle dislocated. They were taken by Stone ambulance to San Antonio Community hospital.

Citrus and Industrial Development Are Not in Opposition

Together the citrus industry, commercial industry and the residential community can be advanced in Upland — and there is no "controversy" or great conflict of interests as some people have been led to believe.

There is sufficient opportunity here for the greatest development of all interests on a solid foundation. Most people here are aware of that and most people here are eager for the community to be developed to its utmost.

Furthermore, most people realize that a "New Southern California" and a "New Upland" are ahead. Commercial industry is coming, either right in Upland or within a few miles from here. Progressive Uplanders recognize this situation and are eager for the community to make the most of the opportunity.

With more money in its treasury today than for many years, the Upland chamber of commerce is faced with the problem of choosing a new secretarial staff. But the problem of getting a new secretary is in no way related to the "issue" of industrial development.

It is true, the chamber directors on Tuesday heard a statement from Dr. James V. Latimer, secretary, that from time to time "opposition" is expressed when there is talk of a new industry here.

That "opposition", however, is perhaps only natural and the same as can be found in any community when changes are likely.

It can be emphasized that, generally speaking, there is no "controversy" between the chamber of commerce and the citrus industry as to the city's future development. Upland is going ahead to realize its fullest opportunities.

Of course, the chamber of commerce should receive greater support and whole-hearted interest from the citrus associations, leaders of the industry, and many of the growers.

WHAT IS EFFICIENCY?

EARL S. WEBB

A prominent industrialist has appealed to the San Bernardino County Board of Supervisors to cut his taxes BECAUSE HE SAID HIS GOVERNMENT-FINANCED FACTORY WHICH COST OVER $100,000,000 SHOULD HAVE BEEN BUILT FOR $50,000,000 or less. The Congressman Earl Webb is opposing spent much time in seeking credit for this factory. We, the people whose tax and bond money went to build the factory apparently were WITHOUT A CHAMPION when the $50,000,000 of our money was wasted.

We do not seek to indict Mr. Webb's opponent, Harry R. Sheppard as being solely responsible for unchecked spending of tax funds. His record as a Congressman is, in many respects, a good one, but WE DO CHARGE that democracy cannot survive unless we elect a Congressman who is able to get more than a 50-cent value out of a dollar spent. Mrs. Housewife, would you pay $1.00 for 50 cents worth of potatoes? If you were a congressman who took credit for such extravagance would you seek reelection? We invite your study of Earl Webb's record as to his ability to secure a dollar's worth of value for a dollar spent.

A VOTE FOR EARL WEBB IS A VOTE FOR EFFICIENCY IN THE SPENDING OF YOUR TAX DOLLARS

(This Ad Paid for by the Webb for Congress Committee)

Protect his Right to Work

VOTE NO ON 12

Some of these days G. I. Joe will be coming home. He'll want a job—and peace. We can help him by voting NO on No. 12, "Right of Employment," November 7. This proposition attacks trade unions and threatens G. I. Joe's right to work. It would invalidate agreements between management and labor. It would interfere with the war production. It would bring chaos, confusion, industrial strife. It would lower the American standard of living in the post-war era. Protect G. I. Joe's right to work.

Scores Again!

For years, the U.S. Royal DeLuxe has been a high-scoring tire. And today from coast to coast the new U.S. Royal DeLuxe, made of synthetic rubber, is turning in performance records that are mighty close to pre-war natural rubber tires. "U.S." synthetic tires are *good* tires.

-ELECT-

FRED HOUSER

U. S. SENATOR, NOVEMBER 7th

He Will Be on Hand in the Senate to See That California's Vital Interests Are Protected At All Times

In the War Years of 1942-43, His Opponent, Sheridan Downey Was Absent More Than Half of the Senate Roll Calls

WHAT DO YOUR NEIGHBORS SAY ABOUT FRED HOUSER?

A Good Liberal Record

"As a member of the California legislature for three terms, Fred Houser supported and worked for the passage of liberal and progressive laws in the field of labor, old age pensions, unemployment insurance and social security. His record as Lt. Governor is equally progressive."

W. H. WEDDELL
Former President San Bernardino Bar Association

Houser No Isolationist

"I am for Fred Houser for Senator because he had vision enough to know what to expect from the Axis powers. Compare this with Isolationist Downey's speech to the senate in which he said, 'I have no fear of any assault upon the western hemisphere by Germany, Japan or Russia'."

H. GEORGE CUNNINGHAM
Barstow Businessman

Houser Constructive

"Houser's record is constructive, Downey's record has been destructive. As the election comes around, I find no other alternative than to vote for Houser. It is a matter of record that Downey opposed President Roosevelt on Repeal of the Arms Embargo Act, Social Security Act, Manpower Registeration and Selective Service."

Judge DONALD VAN LUVEN
Former President The Native Sons

We Know Him In Fontana

"Here in Fontana we have got to know Fred Houser and for what he stands. We know that if elected to the Senate he will work untiringly to further expand the recent agricultural and industrial gains and when reconversion comes, thus provide jobs and homes for California's war workers and veterans."

CORNELIUS DEBAKSCY
Editor the Fontana Herald

A Full Time Senator Needed

"If Fred Houser is elected Senator we will then receive the representation which we will have to have if we are to hold our own with other progressive states. His opponent has been absent from more important senate roll calls during his term of office than any other senator in the United States. If ever there was a time when California must have representation it is now!"

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma, Cucamonga, and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

UPLAND ELEVEN 6, CHAFFEY FROSH 0

football team defeated the Chaffey second period freshmen Wednesday afternoon by a score of 6 to 0.

It was Upland's second victory over Chaffey, the team having won from the fourth period freshmen October 18 by the same score.

Fullback Leonard Hill carried the ball to a touchdown from the four yard stripe after he and his teammates had advanced it into scoring position.

Upland's margin of superiority was slight. Both teams displayed coordinated attacks supported by good blocking but excellent tackling on both sides kept the scoring low.

LeRoy Grahame and Bernard Hoyos exchanged their former positions and Grahame started at halfback and Hoyos at end. Clarence Jones went into the game at guard replacing Fred Christianson

Eleazar Borbon played the other end position and William Isom, guard. Ted Milch and Wayne Shell were Upland's tackles and Don Mueller, center. In the backfield were Jesus Anguiano, Simon Hoyos, Hill and Grahame.

Upland is meeting the Chaffey freshmen in five scheduled games and the third engagement will be next Wednesday at Chaffey.

Last Rites for Edward Rahn Held This Morning

Scores of friends paid final tribute to Edward Rahn, Upland merchant, this morning when funeral services were held in the First Mennonite church. The Rev. Earl Salzman, pastor, officiated, assisted by the Rev. John Frymire of Chino.

Thomas Sisto and Alvin Book sang as a duet, "Abide With Me," and Mr. Sisto gave "Crossing the Bar." Miss Pauline Jacobs was organist and accompanied the singers.

Pallbearers were F. A. Whymore, Phillip Mahar, A. K. Toews, Elmer Stowe, Calvin Niswander and William C. Fiscus. Interment was in Bellevue cemetery.

Mr. Rahn passed away Tuesday morning at Green Memorial hospital from a heart attack. He had been in failing health for some months.

He is survived by his widow, Anna Rahn; four daughters, Miss Ethel Florence Rahn, Upland, Miss Helen Rahn and Miss Edna Rahn, Los Angeles, and Mrs. A. J. Howell of Pomona; two grandchildren and one brother, John Rahn, with whom he had been associated in the grocery business.

Club Women See Many Hats as Afternoon Entertainment

Hats, hats, hats,—of every shape and size—interested members of the Upland Woman's club at their meeting Tuesday afternoon in the club house.

Malinda Kay, known as "The Lady With the Hats," turned her hobby into a profession, and now has a collection of some 175 hats. She modeled many of the old-fashioned styles, wearing costumes of character and period to fit the hats, and the 27 pounds of clothing with which she began her lecture were gradually reduced as she brought her audience from the history of 100 years ago down to the present time.

In one of her characterizations, that of "Peony Whippletree," a maiden lady of long ago, Miss Kay delighted her audience by singing an old song in a quavering voice as she played her 102-year-old melodeon, which was once the possession of a southern colonel.

As her final contribution, Miss Kay represented the Madonnas of the Trails, and she paid tribute to pioneer mothers and likened the young mothers whose husbands are now in the service of our country to those pioneers.

Mrs. J. Emery Sargent, program chairman, presented the entertainer.

During the business session conducted by Mrs. Marion Maxwell president, several announcements were heard and Mrs. Ray R. Sherwood spoke briefly on the several propositions to be voted on at the November election.

Tea was served during the social hour which concluded the meeting. Roses and candles decorated the tea table where Mrs. Jack Dorrity and Mrs. Neal Dorin presided. Mrs. Hjalmar Anderson and Mrs. Glenn M. Atwood, co-chairmen for the month of October, were in charge.

CAPTAIN TAYLOR GIVEN GOOD CARE WHILE PRISONER

Splendid medical attention was given him and other war prisoners, Capt. Wallace C. Taylor, Jr., told members of the Upland Rotary club at their luncheon meeting Wednesday.

Capt. Taylor, son of Mrs. Wallace C. Taylor, 1056 North Euclid avenue, Ontario, resided in Upland when he enlisted in the army air forces. He is home on furlough after having been released recently from a prisoner of war camp in Romania, where he was confined for 13 months.

Introduced by Harlow Wilson, program chairman, Capt. Taylor told the Rotarians the food served the war prisoners was better than ordinary fare and there seemed to be plenty of it. He said the men were paid according to rank and purchased their own foodstuffs.

Capt. Taylor was pilot of a flying fortress and participated in bombing missions over Italy, Sicily and Romania.

Capt. Taylor was wounded in a flight over the Ploesti oil field and was taken to a hospital in Bucharest.

He said the Germans questioned him closely and seemed to know all about the Ontario army air field and pilot training at Cal-Aero.

Capt. Taylor urged the Rotarians to write to men in the service, even to those whom they do not know well. "Letters are multiplied many fold in blessings given," he said.

Geerge Harrison, father of Rotary Club President E. Birch Harrison, was a visitor here from Los Angeles. Visiting Rotarians were Forrest E. Doucette, Merv Goldsbury, S. Earle Blaskeslee, Vern Pittenger, Sanford Ballou, E. B. Patterson, Leo Wadsworth and H. B. Van Brunt, Ontario; Eugene Henry, San Gabriel; Dr. Franklin T. Kerr, Filmore, and W. V. Detweiller, Claremont.

LEGION SUPPORTS PROPOSITION NO. 1

By I. J. LINKEY
Commander Upland Post American Legion

Proposition No. 1 on the general election ballot November 7 provides for a $30,000,000 bond issue to enable veterans of world war two who enter the service from California to purchase homes or farms.

This will be a continuance of the program inaugurated in 1922 for California veterans of the first world war.

It is based on the wholesome philosophy that it is better for America to have an American family living in its own home than in a house owned by a lardlord.

The 22 year record of the Veterans' Welfare board is one of constructive accomplishment, resulting in the purchase for California veterans of more than 20,000 homes without one cent of cost to California taxpayers.

There is no finer way for the citizens of California to contribute to the rehabilitation and Americanization of the returning war veterans than to cast a "yes" vote on proposition No. 1.

Veterans Hospital Planned in County

Plans to secure erection of a permanent government hospital adjacent to the foothills of the San Bernardino mountains to serve war veterans was announced by Congressman Harry R. Sheppard.

Congressman Sheppard declared "this district has an unusually heavy proportion of war veteran population. Present military and veterans hospitals will not begin to care for postwar needs. Permanent hospital structures will be erected as rapidly as possible to replace the many temporary facilities now in use."

ENSIGN LARKIN LLEAVES

Ensign Betty Larkin, who received her commission as a navy nurse early this month, left Los Angeles Tuesday evening for Oakland, where she has been assigned to the U. S. naval hospital in that city. She is the daughter of Mrs. W. J. Larkin, 344 North Sixth avenue. Ensign Larkin, who is a Chaffey graduate, received her nurse's training at Huntington Memorial hospital in Pasadena, and for more than a year has been at the Southern Permanente hospital in Fontana, where she was head of the nursery.

It wasn't enough that their hats were tossed into the ring—now the candidates have joined them.

Chinese Girl Living Here Celebrates Birthday Anniversary

Ellen Young, young American of Chinese ancestry, celebrated her eighth birthday anniversary Tuesday.

Ellen and her sisters, Dorothy and Jeanne, make their home with Mr. and Mrs. Paul Madrona at 365 Second avenue. They are daughters of Mr. and Mrs. Harry Young of Los Angeles and the Madronas have been taking care of the children for the past year because Mrs. Young has been in ill health.

Ellen is in the third grade at Upland Elementary school where she is reported to be doing very well. She was in the first grade only three weeks when promoted to the second grade last year.

Attending the party were her sisters and her friends, Bert, Fred and Roberta Kennedy and Olita May.

SUV Auxiliary Plans For Visit of Department Inspector

Announcement that the department inspector will make her official visit to the Auxiliary of Alois Podrasnik camp, sons of Union Veterans, on November 28 was made by Mrs. Earl F. Riggs, president, who presided at the regular session Tuesday evening in the W.R.C. Memorial hall in Ontario.

The members voted to hold their annual Thanksgiving dinner on November 21 in the hall, and Mrs. Elizabeth Taylor was appointed to have charge of the kitchen.

Forty hours of work for the Red Cross were given by members during the past month, according to a committee report.

CHAFFEY SEEKING MINUTE MAN FLAG

Chaffey high school wants to fly the Schools-at-War Minute Man flag again this year and starting next Tuesday will begin a campaign to enroll 90 per cent of the student body as regular war bond and stamp investors.

In addition, Chaffey high school will participate in the sixth war bond drive beginning November 20.

Both endeavors are sponsored by the Chaffey chapter of the California Scholarship Federation under the faculty direction of Miss Celesta Scott. George Beardwood of the teaching staff is treasurer.

Last year Chaffey students purchased more than $40,000 worth of war bonds and stamps and the minute man flag flew over the campus most of the year.
